Early Assessment brings together a team of professionals including consultant paediatricians, educational and clinical psychologists and paediatric therapists with specialist skills and knowledge in children's growth and development.

WHAT WE OFFER

Paediatric assessments for concerns regarding child development or sleep.

Screening and diagnostic assessments for a wide range of developmental and behavioural conditions:

- *Autism Spectrum Disorder*
- *Attention Deficit Hyperactivity Disorder*
- *Developmental Delay*
- *Developmental Coordination Disorder (also called Dyspraxia)*

The assessments are multi-disciplinary, which means they utilise the expertise of Multi-Professional Team.

What can I expect from an initial meeting with a clinician?

- *Discuss concerns you have about your child's development*
- *Receive recommendations on further assessment*
- *Agree on best way forward to address your child's difficulties*
